Over 93 years of manufacturing experience insures you of products of the highest quality. Consumer acceptance has placed our products closer and closer to the top of the list of "most popular" gift items. As the world's leading producer of onyx and marble wares for home and office, our objective has always been to give the greatest possible value for the money. Something for every occasion assures you year round sales. See our display at all the major gift shows or visit one of our permanent showrooms.
